DEATH OF MANNIE HIRSCH

The sincere sympathy of a multitude of local friends goes out to Mr. and Mrs. B. S. Hirsch, of this city, who suffered an irreparable bereavement in the death of their son, Mannie, which occurred in San Francisco Monday.

The deceased was a former well known Ukiah boy, the news of whose death brought a shock to all who knew him in the days gone by.

He leaves a widow and two sisters, besides the sorrowing parents.

LOSE INFANT DAUGHTER BY DEATH FRIDAY

Former Supervisor Dies at Brawley

Former Supervisor Emmett Gillmore, a brother of Everett Gillmore of this city, passed away at Brawley, Imperial county last Friday night. His death, which occurred at the home of his son, Ray, was very sudden. The remains were brought to this county and interred at his old home at Point Arena, where the obsequies were attended by a legion of old friends of the deceased. The funeral took place Tuesday.

Mr. Gillmore was one of the county's sterling and representative citizens and a host of friends will extend sympathy to the bereaved relatives. He leaves three brothers, and three sisters, a son, Ray, and two daughters, Mrs. Ernest Higgins and Mrs. Henry Halliday.

He was aged 60 years.

Kirby Ford Has Narrow Escape

Kirby Ford had a very narrow escape from being burned to death last Saturday morning. He had poured some kerosene on the engine of his tractor preparatory to lighting it for the purpose of warming up the engine. When he went to strike a match to set the oil afire, the can, which he still held in his hand, became ignited and blew up. The burning oil scattered over Ford and he was badly burned about the face and body before he could tear his clothing off.

His burns, while serious were not dangerous, and he is about once more.

MRS. TAYLOR McGARVEY HOSTESS AT BRIDGE

Mrs. Taylor McGarvey was a hostess at bridge last Friday afternoon. The large living rooms of the residence were beautifully decorated with autumn foliage. Delicious refreshments were served.

First prize was won by Mrs. Marie Rea and second by Mrs. Jack Smith.

The guests present were Mesdames Jack Smith, Benson Edwards, Edward Eversole, Frank Bertsch, Floyd Banker, Robert Pierson, Will Banker, Harold Holliday, S. Souder, Martin Edwards, Volney Van Dyke, Elmer Gibson.

They are retaining their property interests here and intend to return here to make their permanent home later on.

Take Agency for Famous Moon Cars

Fred C. Smith and J. H. Ledeboer have taken the agency for the famous Moon car, which they will represent in Mendocino and Lake counties. They inspected a number of well known cars before selecting the Moon, and they feel sure that it will prove a popular car in this section.

The moon is the choice of many mechanics, who know metals and workmanship, and the latest purchaser being E. L. Van Buskirk, who owns a big machine shop at Stockton, and who chose the Moon for its worth after a close investigation.

The advantages to be obtained in the Moon are set forth in the dealers' advertisement which appears on page five of this week's Dispatch-Democrat.

REPUBLICANS VICTORIOUS

In line with the general Republican landslide throughout the state and nation, Mendocino county piled up a big Republican majority at the general election last Tuesday. Nearly every precinct in the county went Republican. With 15 precincts to hear from last evening, according to the semi-official returns, there were but four in the Democratic column, as follows: Willits No. 3, Irmulco, Westport and Redwine. Harding's vote in the 75 precincts heard from was 3976 against Cox's 1606. Senator Phelan ran a fine race for reelection, distancing his ticket both in the county and state. However, Shortridge has beaten him by about 60,000 votes. Up to last evening in the 75 precincts available in the county, Shortridge's lead was but 494. The remaining precincts will bring this up to about 600, while Harding's majority will be in the neighborhood of 2800.

Pat Connolly ran Pettis a close race for the assembly, the estimated majority of the latter over his Democratic opponent being but little more than 100.

A write-in campaign instituted in favor of W. D. L. Held for superior judge has netted the latter 1126 votes, against 3955 for H. L. Preston in the 75 precincts now in. The remainder may bring Held's vote to 1200, and will pile still more on Preston's majority.

Following is the tabulation of the semi-official returns in last evening; we will give the remainder next week.

A large wigwam was one of the features of the decorations, built of trees and autumn leaves, while an old black pot under the wigwam contained the fortune of each of the guests in a nutshell. RENEWED TESTIMONY

No one in Ukiah who suffers backaches, headaches, or distressing urinary ills can afford to ignore this Ukiah woman's twice-told story. It is confirmed testimony that no Ukiah resident can doubt.

Mrs. E. Dunn, 325 Perkins Strret, Ukiah, says: "I think over-work is what weakened my kidneys and caused lame back about a year ago. When I washed or ironed twinges of pain caught me in the small of the back and I felt miserable all over. Mornings I felt more tired than before going to bed and suffered from headaches and dizzy spells. I heard about Doan's Kidney Pills and boxes from Gibson's Drug Store removed the trouble and made me feel better in every way." (Statement given June 22, 1916).

On February 17, 1920, Mrs. Dunn said: "I have had no need of a kidney remedy since Doan's Kidney Pills cured me and I always recommend them."

ITEMS FROM REDWOOD VALLEY

REDWOOD VALLEY, Nov. 3.—The social Saturday night was one of the best yet. The decorating committee under the charge of Mrs. John Tull had the hall beautifully decorated. The chorus, and other participants wore masks and were attired in Hallowe'en costume.

The music was exceptionally good. Among the musical numbers were two instrumental selections by Prof. Mann, which brought down the house.

The hall was packel, every seat was taken and standing room was at a premium. After the program 8½ gallons of ice cream were sold, each dish of ice cream having a generous plate of cake as an escort.

Ed Austin, the chairman deserves great credit for his hard work in making the social so successful.

Two artistic baskets donated by Mr. Anderson of Lane Springs were raffled off, and one of them was put up again and auctioned off. The two baskets brought $15 for the piano fund.

Gladys Page will have charge of the next social which will be three weeks from Saturday.

Mr. and Mrs. Walton of Pennsylvania and Prof. Mann of Los Angeles are visiting at the home of Mr. and Mrs. L. D. Horton. The Waltons motored all the way from Pennsylvania, first going to New York and into Canada. They picked up Prof. Mann at Los Angeles. Mrs. Walter is a sister of Mrs. Horton, and Prof. Mann the father of the two ladies. The 6000-mile trip was made in a Dodge car without any serious mishap until they got to Mr. Horton's home where in backing into a ditch an axle was broken.

Mr. and Mrs. Bert Hinton are enjoying a visit from Mrs. Hinton's sister and family, who recently motored up from Modesto.

Bert Hinton reports fine feed on the Thomas range.

The election was passed off quietly, 123 votes were polled in the local precinct. Harding received 55 votes and Cox 39. Supervisor Ford received 76 votes to 39 for Cocking. The vote for Senator stood: Phelan 44; Shortridge 43.

TO THE VOTERS

of the Second Supervisorial District:

I take this method of expressing my appreciation of the support given my candidacy for Supervisor. I entertain no regrets or bitterness over the outcome of the contest. The people have chosen Mr. Ford. Let us give him our undivided assistance, to the end that the Second District shall perform its part in a progressive, efficient and economical administration of county affairs.

NICHOLAS COCKING.

WILLITS NEWS OF PAST WEEK

Tuesday night the Irvine & Muir store was burglarized. The burglar was evidently familiar with the store for he knew just where everything was located. He gained entrance through a window in the rear of the store and opened the cash registers in both grocery and hardware departments. It is not known how much money he secured but it was probably in the neighborhood of $30. He also stole a razor and some other articles. Sheriff Byrnes came up from Ukiah Wednesday morning and secured some finger prints which may locate the thief. There is no other clew.

Sam Harworth was arrested for forgery last Friday. He drew a check for $5 on the First National Bank and never had an account with that institution. He cashed the check at the Rex drug store. Harworth was taken before Judge Whitney and plead guilty, and waived all his rights and was taken to the county jail. He will receive sentence in the superior court in a few days.—News.

New Crank Case Service for Motorists

YOU probably know that after a few weeks of driving your lubricating oil becomes dirty with carbon, road dust and fine particles of metal, which circulate through your engine and cause unnecessary wear on bearing surfaces. And gasoline escapes past the pistons and dilutes the oil. Granted. There's nothing new about that—*but*—

Here's an absolutely new way to get rid of this dirty, diluted oil and put your engine in line for better performance and longer life. It is called Modern Crankcase Cleaning Service.

Modern,—because we use Calol Flushing Oil, the new, scientific, thorough flushing agent that does not contaminate the fresh oil.

Our skilled mechanics know how to clean out a crankcase with it correctly and quickly, at a nominal cost to you.

This service assures proper lubrication for your cleaned engine. We refill the crankcase with fresh Zerolene of the correct grade.

We recommend Modern Crankcase Cleaning Service as the latest word for better engine operation and longer life for your car.

TODAY: Bring in your car for Modern Crankcase Cleaning Service.

The American people have spoken in no uncertain tone and all good citizens should bow to the mandate of the people. The people have said they do not want the Wilson League of Nations. Let us all wish President-Elect Harding the best of good luck with the hope that out of it all may come a lasting and permanent peace and that war may become a thing of the past forever. The American people are very independent; they want good government, peace progress and prosperity and they do not care which party gives it to them. Let us hope that we are through with "politics;" and let us all put patriotism above partisanship and support the new administration in every effort to better conditions. Many good citizens have differed as to the best methods to pursue. The people have decided; so let us all back the new administration with an enthusiasm and vim that all may know that all are truly big Americans at heart and want the best our country can get.

"Here's to our country; may she ever be right. But right or wrong, our country."

* * * * * *

We have met the enemy and we are "theirn."

* * * * * *

God bless the "solid South!"

* * * * * *

In the darkness and stress of defeat there's one bright spot. HURRRAH FOR LEA!

* * * * * *

We got a good trouncing, but that fight lies behind. Let's forget it, gird up our loins and prepare to wallop the G. O. P. next time. That's one good feature of our governmental system: If you're licked this time, there's always another good fight coming.

* * * * * *

The Republicans have had a lot consolation the past eight years criticizing the Democratic administration. The shoe is on the other foot now. Democracy is on guard.

* * * * * *

The Republicans will have a good working majority in both houses of congress, and it is well that this is the case. Then whatever mistakes are made, there will be no hiding behind the skirts of the Democrats. Responsibility will be squarely up to the party in power. The country has been at a standstill for practically two years because of a balance of power between the president and congress, on account of which neither could move.

* * * * * *

Any one can be a good winner, but it takes a stoic to be a good loser. Well, here's to the winner.

* * * * * *

The matter of the apportionment of the national patronage is likely to cause a rift between the Johnson and the Shortridge elements. The two factions are jockeying for position and when Harding goes into office the row will begin in earnest. Who's going to get the plums?

* * * * * *

We may even be able to get some consolation out of Shortridge's election if the scrap that has started over the Hoover telegrams develops to a sufficient extent. It looks as if the movement had already begun among the Shortridge forces to throw Johnson into the discard but we venture to predict that Johnson will be in at the throwing, and Shortridge will need a lot of help before Hiram finally lands in the junk heap.
